Feb. 28<sup>th</sup> / 1919.

My dearest Mother,

Yours of the 3<sup>rd</sup>  
5<sup>th</sup> of this month rec'd  
a couple of days ago. I

was very glad to have  
such late letters. I also  
had only three or four  
days ago a letter from

"Pete" and Aunt Mattie's  
came in 17 days.

Thanks very much for  
the clippings enclosed in

your letter of the 3rd  
So Mrs. Cook is leaving  
us. Well, he was not of  
much use anyway.  
Have you heard from  
either Mike or Shidbling  
yet?

It was very nice of  
Dudley to have Joe over  
to Jackson for dinner.  
I hope Dudley will go  
and take a good law  
course for he has natural  
talent along that line  
and I don't see much for  
him with a small bill

lands around, Utica.  
How is Joe getting along  
at M.C. and does he like  
it? I remember in one  
letter you said he did  
not like Dr. Provine very  
much. Dr. Provine is a  
very keen man and he  
has a good head on  
his shoulders. As for his  
changing. The old men  
in the faculty, I think  
he was wise. Prof. Cope  
one of the best christian  
men in the world yet  
he was not a good

Professor of English. Prof.  
Sharp was a wonderful  
professor of mathematics  
but he was becoming  
rather old. The last year  
if was there he was  
breaking in health so  
that it caused him  
to miss many classes.

Yesterday the whole  
battalion went out and  
fired most of the day.  
It seemed like war  
again. To-day the horses  
are down to the vat  
being dipped.

So Mrs. Hodges and Virginia  
have been down on a  
visit. They are rather a  
peculiar family moving  
back and forth, Matheson to  
Memphis and vica-versa, so  
much. I will call them  
up in Memphis if I  
don't make <sup>good</sup> connection  
there in ~~catching~~ catching  
trains. I don't think it  
is best for you to see  
chocolate now as I  
may leave at any time.

Has any one heard  
any late news from

Luther?

I hear many wonderful  
remarks about Sister and  
how popular she is.  
She is the sweetest girl  
in the world any way.

Lots of love to all.  
Ennis and Kelley are back  
so my work is much  
lighter than before.

fondly,  
Boyer
